drawn from the UUA Covenant Sources

What awaits you now as you go out into the world?

**Light, sound, movement, choice, bliss.**

May you experience transcendence from it all.

**May we hear the prophets' call, and rise to it with power.**

May reason and science guide you beyond idolatry.

**May we feel the spirit flowing in us**

**and may we use its power to care for friend and foe.**

May you appreciate all stages of life and feel rapture in their rhythms.

**May all life live in peace and fulfillment.**

## CARRYING FORTH THE LIGHT

We extinguish this flame, but not the light of truth,  
the warmth of love, or the fire of courage.

These we carry in our hearts and out into the world.
